

THE DATA-DRIVEN TRUTH

Global Central Bank Credibility Index

Rigorous 2020-2024 Macroeconomic Analysis

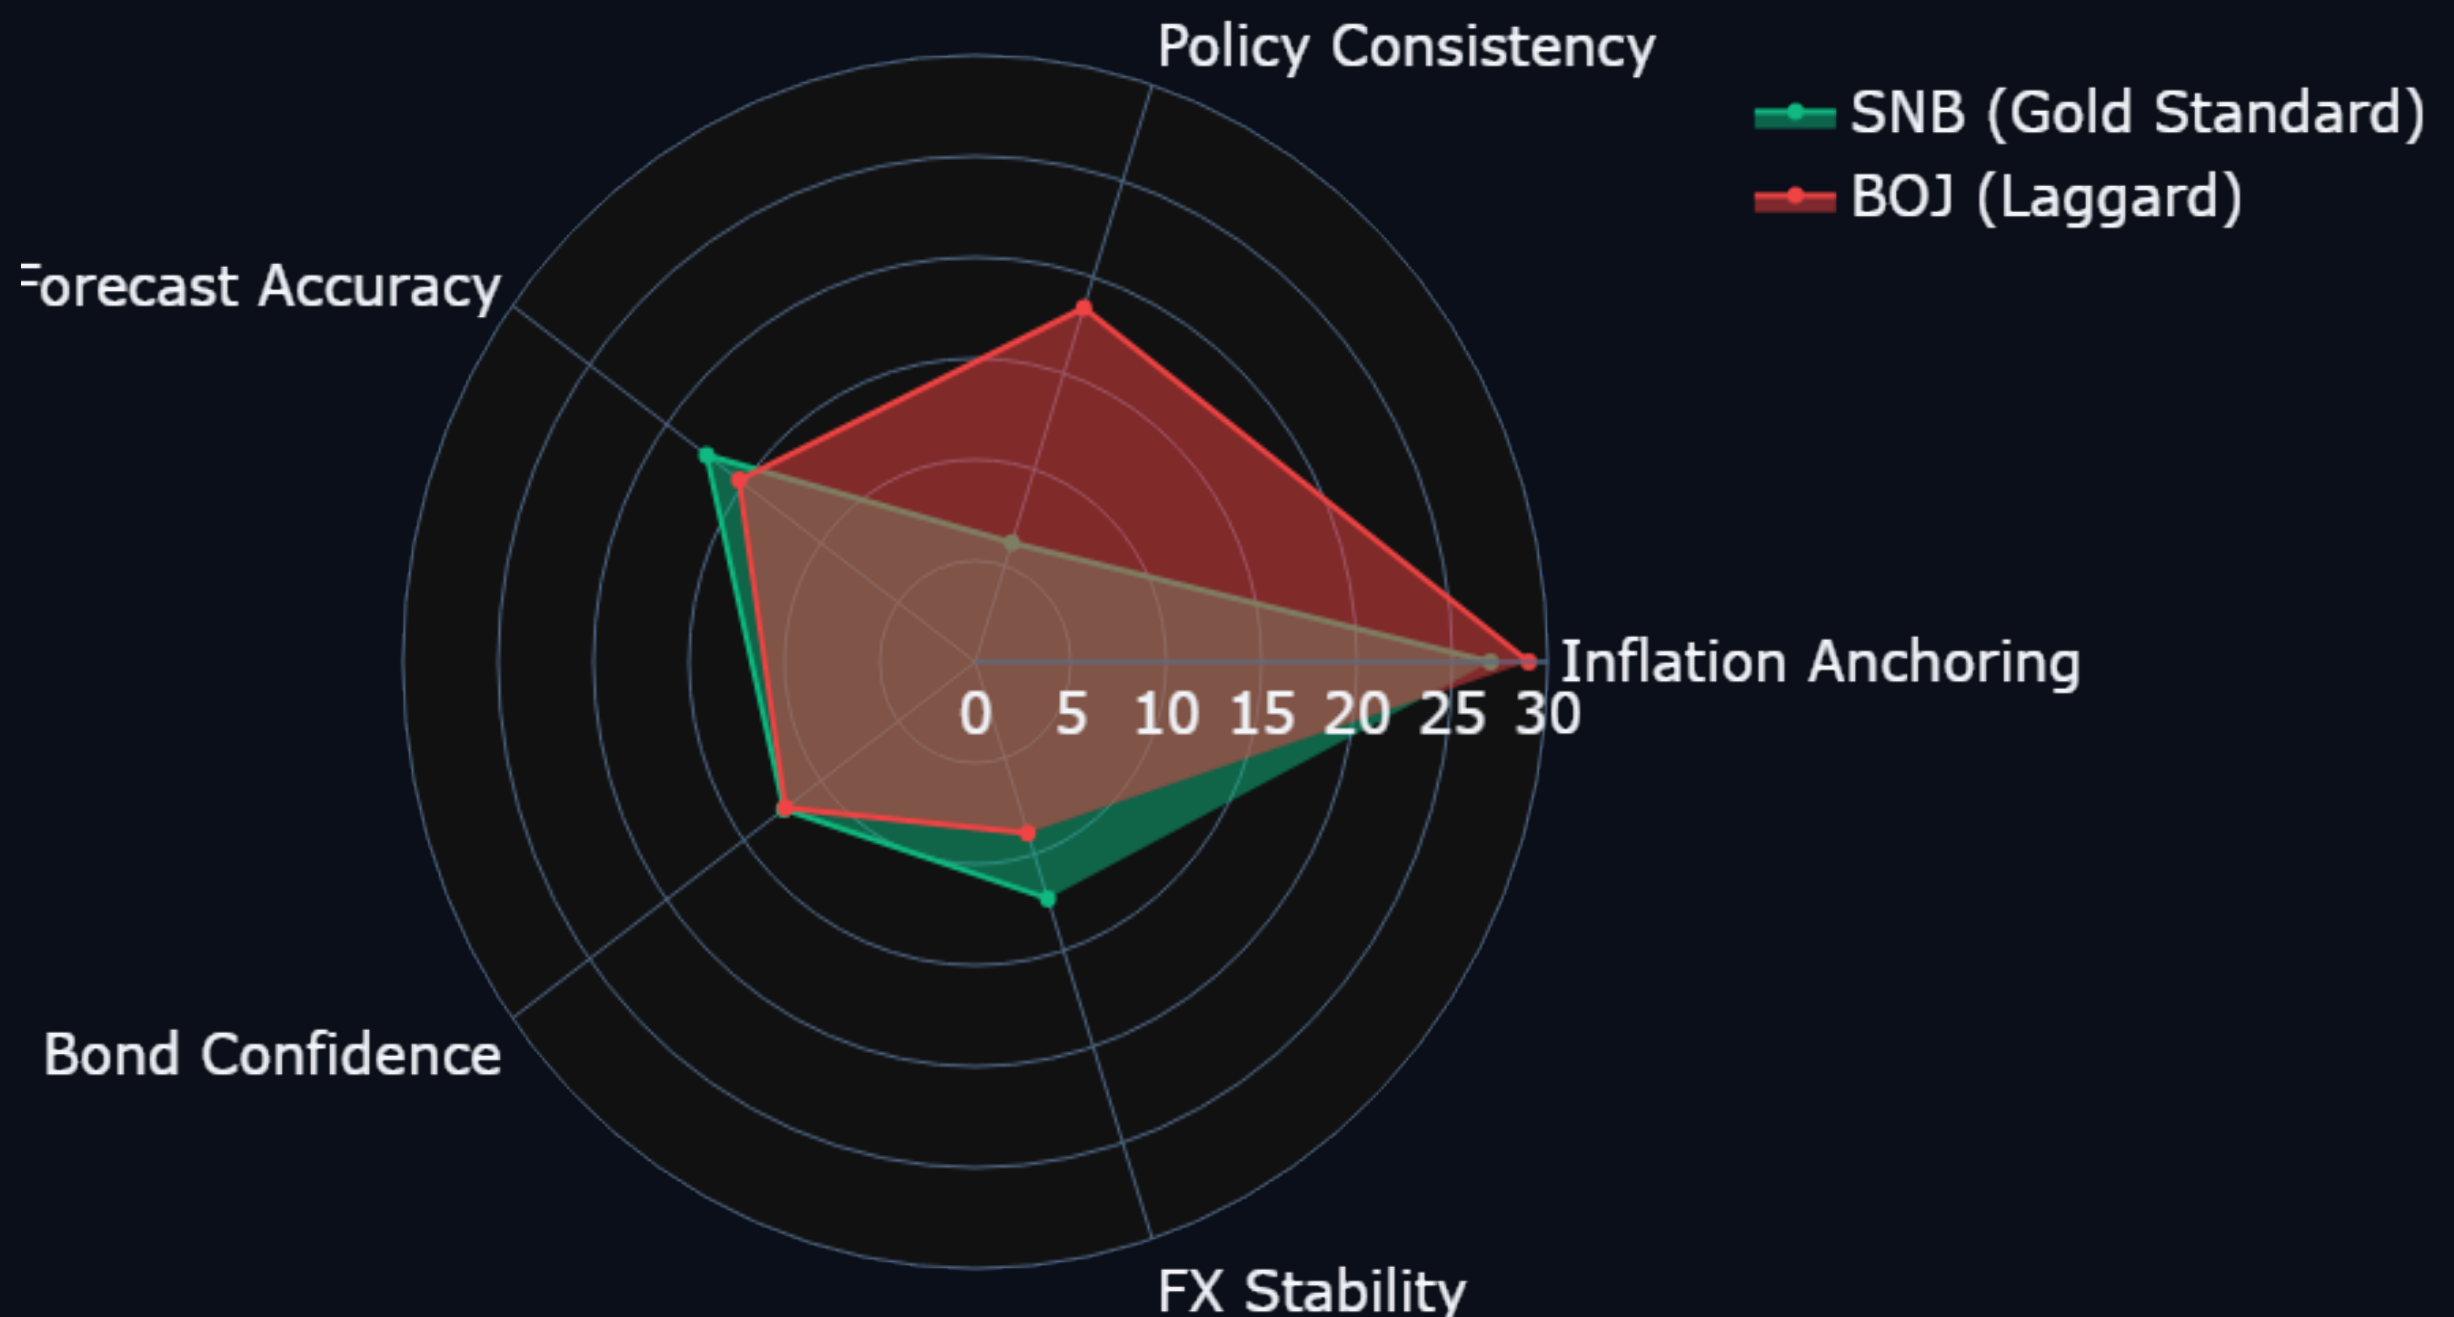

01 / GLOBAL LEADERBOARD

SNB & FED lead the pack.

Switzerland and the US maintained highest policy consistency.

02 / PILLAR BREAKDOWN: SNB vs BOJ

Why BOJ Fell Behind

While SNB maintained extreme FX stability and tight inflation anchoring, BOJ was penalized heavily for extreme FX volatility and the breakdown of Yield Curve Control (YCC).
